Cottage alterations

In order to upgrade our facilities, we need to improve our accessibility to accommodate wheelchairs. To this end we propose to change the gents' toilet to one accessible to a wheelchair. This will involve some carpentry to make the door swing outwards and the addition of grab rails inside.

We hope soon to engage the services of a tradesman to do the job.

Vacation period

So many activities continue during the vacation period that we cannot time-table it as a break. Therefore you will notice that between April 8 and April 19, the grid shows events etc.

Anzac Day

Anzac Day falls after the normal vacation period and there is usually no class on that day unless members decide to ignore the break.

Membership Matters

We are pleased to note an increase in membership thanks to the diligence of our class

Co-ordinator and his associates.

Banking changes

The Committee is working on changing our banking arrangements to another bank. However a few problems have arisen, stemming from our change of name some time back. Namely that the relevant government office has mislaid the documents which authenticate our status.

The changes are necessary in order to facilitate electronic banking.

Office Phone & NBN

These have been working OK until the end of March when the service was cut off because Telstra have been putting our payments into the wrong account for months.

April, 2019 Time-table

Computer upheaval, vacation time and Anzac Day have all made the compilation of this time-table something of a headache, if not a nightmare. If any item seems to be wrong, please consult the convenor of the activity for correct information.

Course Co-ordinator's Report

Current Affairs

Joan Thompson presents a discussion of what's in the news and contentious or topical each Thursday. Session runs from 10am to about 1.30 at the Royal Vic Yacht Club on Nelson Place. Would highly recommend this activity. RSVP with Joan at joan.thompson@outlook.com

Social Walk

This will be on Friday, April 5 from Flinders St Station to Burnley Agriculture College via the banks of the Yarra. Start from Willi North Station at 0921. Phil will be in the second carriage.

RSVP 0488 361562 by voice or SMS

Social Afternoon

Our Class Co-ordinator is in the process of organising a social drinks event at the Royal Vic Yacht Club in early April.

Thinking Thursday 5pm to 6.30pm with option of staying on to eat there or locally. Drinks would be at bar prices. I am talking to them about some nibbles. My thought is to charge \$5 a head for nibbles and get them to cater for this. I think we would get 30 people so we would ask for them to give us \$150 worth of nibbles.

Please enter expression of interest on form on the notice-board.
