Michael Winkle

16th July 1941 ~ 29th July 2018

Michael died on July 29 and was buried in a simple, moving graveside ceremony on the 15th of August.

Since he had no family in Australia, the celebrant read a letter from a brother in the U.K.

Present at the ceremony were neighbours and a number of U3A associates. He was a member of the Art class and of the Committee.

He was an ardent Bulldogs supporter and so a club scarf was buried with him.

NBN

A least some things go OK: our NBN connection went hitchless and the phone still works. So the computer class can still function. Many thanks to Barbara Sloan who facilitated the connection while suffering a debilitating migraine.

Website

We have had to delay the publication of the website as a number of things went pear-shaped. The "weebly" website is still under reconstruction but, at least, it will be easier to access since the old misdirections have been disabled. Thanks to Barbara Sloan and Phil Quinn for their indefatigable efforts.

VACATION CLASSES IF ARRANGED				

CLASS COORDINATOR NEWS

Greetings and I hope you are all keeping fit, healthy and warm. Talking of fit, the WALKING GROUP, led by Sheila and Margaret is going well. Their latest trip was to The Anglers Tavern for lunch via the Maribyrnong River trail and the Heavenly Queen Temple.

The SEPTEMBER WALK is scheduled for 7th September. The destination of the walk is Rippon Lea Estate for the Super 70s Fashion exhibition, a look at local Jewish shops and lunch. Meet at Williamstown Beach Station to catch the 9.20am City train or along the train line appropriately. Please hop on the second carriage. Give Sheila a ring or SMS on 0458970041 to tell her you are coming.

Is anyone interested in a SHORTER, SHARPER WALK SESSION of a weekday morning around 9.00 for say 45 minutes followed by coffee? If the idea appeals, text me on 0488361562 and tell me what day suits you. I anticipate starting from a local spot (outside town hall, Cottage, suggestions?) and not having to register each week but just 'rock up and do it'. This means no-one needs to coordinate the activity, just participate whenever you want to walk. If the weather is bad, don't show up!

While suggesting activities, anyone interested in an EASY-PACED BIKE RIDE perhaps weekly? Again text with suggested date/time if you are interested. Also indicate how far you would like to ride. Start point would be local. Same idea as the walking group, we would meet at a set point at a set time and date and whoever is there rides

Any other ideas for activities? I have given some thought to a CURRENT AFFAIRS/NEWS OF THE WEEK discussion weekly. Again text me if interested with date/time.

ARMCHAIR TRAVEL for anyone?

Phil Quinn
